YOUR TOMAHAWK STEAK

Named because it resembles the Tomahawk Axe, it is the ultimate "wow factor" steak. Due to its size it needs to rest after cooking for approximately 10/15 minutes as compared to the normal 5 minutes. This allows the heat from the bone to redistribute and give the Tomahawk steak a lovely succulent juicy flavour.

SIGNATURE STEAK FOR 2

INCLUDES TWO SIDES & SAUCE OR BUTTER OF YOUR CHOICE

Tomahawk 1200g €81.50
