

Wine List

Please take a moment to look through our new wine list. We believe wine is a very important and key element of the dining experience. We have hand picked and tasted wines from some of the best family owned vineyards around the world for you to enjoy. Wines marked with green logo are made with the principles of biodynamic or organic agriculture. 

"Accept what life offers you and try to drink from every cup. All wines should be tasted; some should only be sipped, but with others, drink the whole bottle."

Paulo Coelho, *Brida*
