BLOOD ORANGE

This delicious organic herbal infusion blends flavours from Europe, Africa, and South America. Its sweet citrus notes will enliven and invigorate at any time of the day

GUNPOWDER & MANGO

Traditional green tea flavours with a punch of sweet tropical fruit. This organic green tea is well-balanced and can be enjoyed with any food at any time of the day. Its exotic notes make for an explosion of flavours like no other

CHAMOMILE

A deliciously flavoursome combination of fruit, herbs, and petals. Chamomile is a popular herbal infusion worldwide and is well-renowned for its soothing properties

GINGER & LEMONGRASS

We have combined fresh lemongrass with spicy ginger for a delicious taste that is both healthy and warming. Ginger has been proven to help aid digestion, plus its heat and energy are great for keeping you warm, especially in the winter months

CHINA GREEN LUNG CHING SHANGBA

Dragon Well ("lung ching" or "long jing" in Chinese) is perhaps the most famous green tea from China.

With aromas of the Tobacco leaf when dry, this wonderful tea offers us tastes of sweet cherry and lightly cooked apple.

OOLONG TIE GUAN YIN

With a creamy sweet melon flavour balanced with a woody, roasted taste similar to black tea. The lightly oxidized Oolong has character like no other

TEA SELECTION

IRISH BREAKFAST TEA

Its citrus notes make it wonderfully refreshing; the perfect organic black tea to revive you in the morning and start your day the right way

EARL GREY

To produce our Earl Grey tea at Java Republic we use organic bergamot and the result is strong, reviving tea with notes of citrus for a fresh cup that is full of flavour

YUNNAN

Fruity and fresh with a sweet after-taste, this mild tea has a very soft profile which makes it perfect for those who are looking for something with just a hint of caffeine

PEPPERMINT

One of our best-selling organic teas. Peppermint is cool, crisp, and cold undertones make this a truly delicious drinking experience that is bright and fresh

WHITE BAI MU DAN

Offering an exquisite flavour and lingering fragrance of fresh, mellow and sweet tastes, devoid of astringency and grassy flavours

JAPAN SENCHA

With its earthy aroma and smell of the sea when wet, this wonderful Japanese sencha offers a smooth gentle earthiness and delicate orange rind flavour.
